A line graph showing the 'Items (count)' on the y-axis (0 to 30) against dates on the x-axis (6 Jul, 13 Jul, 20 Jul, 27 Jul). A dashed red line represents the 'Target' at approximately 15. A solid brown line shows the actual count, starting at ~8 on 6 Jul and rising to ~16 on 27 Jul. A vertical dashed line at 20 Jul is labeled 'Partial week (1)'. Data points are shown as blue dots, with the point on 27 Jul being a filled circle at ~21, while others are open circles.

Date	Items (count)	Type
6 Jul	~12	Open Circle
20 Jul	~18	Open Circle
27 Jul	~21	Filled Circle
