A line chart showing the number of items (count) on the y-axis (0 to 30) against dates on the x-axis (6 Jul, 13 Jul, 20 Jul, 27 Jul). A dashed brown line represents the trend, starting at approximately 8 on 6 Jul and rising to about 16 on 27 Jul. A horizontal dashed red line at y=15 is labeled 'Target'. A vertical dashed line at 20 Jul is labeled 'Partial week (1)'. Data points are shown as blue dots: (6 Jul, 12), (20 Jul, 18), and (27 Jul, 21). The point at 27 Jul is also marked with a brown square on the trend line.

Date	Items (count)	Target
6 Jul	12	15
